c/o Customer Services, CAE Oxford, Oxford Airport, OX5 1QX

Scale of Fees (from June 2020):

EASA Class 1 - £160 (*plus VAT*)

EASA Class 2 - £140 (*plus VAT*)

EU Class 3 (ATCO) £160 (*plusVAT*)

FAA Class1 and 2- £160 (*plus VAT*)

FAA Class 3 - £140 (*plus VAT*)

Cabin Crew - £110 (*plus VAT*)

Cabin Crew conversion from EASA Class 1 when performed earlier by myself - £30 (*plus VAT*) for admin fees.

Recording and reading of uncomplicated ECG - £50 (*plus VAT*).

Specialist reading of ECG by cardiologist where regulations require -£40 (*plus VAT*).

Audiogram - £35 (*plus VAT*).

Casework - £50 (*plus VAT*) per half-hour pro-rata

Casework is additional work required to comply with the regulations due to pre-existing or new medical conditions

How to minimise Casework fees:

Please check that any medical reports you have been asked to obtain contain all the information required (either in CAA flowcharts or spec sheets for reports given to you at the medical), and then send them to me **in one batch**. Otherwise I have to spend chargeable time either checking each of multiple batches against the regulations, or replying to you indicating what information is missing and subsequently rechecking it.

All major credit/ debit cards accepted.
